You are aware that information and data is automatically collected through the standard operation of the Internet servers and through the use of "cookies". "Cookies" are small text files a website can use to recognize repeat users, facilitate the user's on-going access to and use of the website and allow a website to track usage behaviour and compile aggregate data that will allow content improvements and targeted advertising. Cookies are not programs that come onto your system and damage files.

Generally, cookies work by assigning a unique number to you that has no meaning outside the assigning site. If you do not want information collected through the use of cookies, there is a simple procedure in most browsers that allow you to deny or accept the cookie feature; however, you should note that cookies may be necessary to provide you with certain features (e.g., customized delivery of information) available on our website.

Whilst JGP Project Engineering (Pty) Ltd is of intent to take reasonable measures to keep personal information about you confidential, it shall however not be liable for any loss or damage, howsoever arising, suffered as a result of the disclosure of such information.
